**A**s we commence this Christmas season, a season of giving and receiving, I would like to discuss a few of the many gifts we have received from our Lord, Jesus Christ, and what we in turn might give to Him.

First, He gave us the perfect model—Himself—after which we are to pattern our lives. . . . Not only did He set for us the perfect example of earthly living, but for our sake He willingly gave His life. . . . Some men are willing to die for their faith, but they are not willing to fully live for it. Christ both lived and died for us. Through His atonement and by walking in His steps, we can gain the greatest gift of all—eternal life.
